

Energizing the Sri Lankan Workforce

Food Safety Policy

We at **Sisila Lanka (Pvt) Ltd.** make every effort to ensure that
All Our **Food & Beverage** being supplied
to our consumers are free from all potential
Biological, Chemical and Physical hazards
by Preparing & Serving
Food in an environment where
ISO 22000:2018, HACCP & GMP principles
have been properly established
while complying to all applicable
Statutory and Regulatory requirements & Customer requirements.

We believe that Continuous improvement
of our consumer safety approach is based on the
commitment & contribution of our employees
towards food safety
and upgrading their knowledge & skill on
Food safety.
